NOTICE OF CONSTRUCTION WORK ON BRATTLE STREET

On Monday, April 5 (weather permitting), the City's contractor, A.R. Belli Construction, will begin construction on sidewalk improvements on Brattle St at the intersection of Elmwood Ave. Once crews finish at Elmwood Ave, they will move to another section of Brattle St.

What to Expect During Construction

Overall construction is expected to take 3 to 4 weeks to complete. General work hours will be Monday-Friday, 7 AM to 4 PM. No evening or weekend construction is anticipated.

"No Parking Signs" will be posted 24 hours in advance of all work; please be sure to check posted signs for exact dates and times. Pedestrian access and access into properties will be maintained at all times, but may be restricted in certain ways. All city services will continue uninterrupted.

Sidewalk Reconstruction: The contractor will demolish existing sidewalks, remove and reset granite curbing, and place new concrete sidewalks, driveways and curb ramps throughout the project area.

Roadway Paving: Once the sidewalk work is completed, the roadway will be repaved and new pavement markings and signage will be installed.

Information and Assistance

Please contact Kelly Dunn, Community Relations Manager at 617.349.4870 or kdunn@cambridgema.gov for information or assistance during construction, including if you have any special need or disability that requires a special accommodation.

If an emergency arises after hours or on weekends, please call the 24-Hour line at 617-349-4860.

Thank you in advance for your patience and understanding during this construction. We hope you enjoy these improvements once they are completed.

Sincerely,

Kelly Dunn
Community Relations Manager
